CATS, one of the longest-running shows in West End and Broadway history, was the winner of the Olivier and Evening Standard Awards for Best Musical. In 1983 the Broadway production became the recipient of seven Tony awards including Best Musical and ran for 18 years.

The magnificent musical score composed by the legendary Andrew Lloyd Webber, includes the poignant hit song 'Memory'. Featuring a fantastical oversized set, a superb score, inspired choreography and mischievous costumes, CATS is a brilliant song and dance spectacular not to be missed.
