With a top professional creative team to produce the show including Director and Producer Erika Vincent, and Musical Director Sam Coates, The Biz will once again employ a full live orchestra to ensure that our youth productions are always of the very best possible quality and an unforgettable experience for all of our young cast taking part. Once again, we will be raising money for **SHOOTING STAR**.

**Chicago (High School Edition) is a specially adapted version of this classic musical that maintains the plot, score and Fosse styled choreography, but is specially adapted to make it more appropriate for both young and old audience members to enjoy. Set in the 1920's and telling the stories of vaudevillians Roxie Hart and Velma Kelly, both charged with murder, it takes us to clubs, to prison and the five merry murderesses, to celebrity and ultimately freedom.**

**Famed for its Fosse choreography that will be seen in this production and its famous score including musical theatre classics such as *All That Jazz*, *Cell Block Tango*, *When You're Good To Mama*, *Mr Cellophane*, and of course, *Razzle Dazzle*, Chicago (High School Edition) is not to be missed.**

**REHEARSALS for CHICAGO take place at Christ College, Guildford (first week) and at The Rhoda McGaw Theatre (second week) with three performances of CHICAGO at the end of the 2 weeks. #### **Reviews from the last few productions:**

*Wow! I just wanted to say a massive thank you once again for the fantastic show! The whole production just blew me away - our whole family thought it was amazing and once again you have brought those cast members up to such a high standard in such a short time - it's incredible what they achieve!*

*Absolutely fantastic show! Well done to everyone!!!! Thanks again - it is the highlight of her year and she gains so much from taking part!*

*Congratulations on the performance last night. It was fantastic and we were so impressed by what you've achieved in such a short time frame. One lady we spoke to said that she has been to many youth productions but this is by far the best that she's ever seen.*

*Last night was fantastic, you have a very talented cast but I don't know how you managed to produce such a difficult musical to such a professional standard in such a short time frame. I went with a friend last night who is a professional theatre critic, she was very impressed and we drove home just marvelling at how you managed to do it. It was better than many professional productions I have seen.*

#### **From Local Press:**

*The Director is to be highly commended for leading such a fine and polished production with just a ten day rehearsal period. Being ambitious paid off for The Biz with their 10<sup>th</sup> Summer School Production. The audience was on its feet at the curtain call and applause was fully deserved for both the cast and the production team.* **Surrey Advertiser**

*"Talent is the Word for Theatre School-Musical fans were dazzled as young performers from The Biz Theatre School's summer school performed the hit show Grease at The Rhoda McGaw Theatre...The intensive preparations paid off as they delivered a professional production.* **Surrey Advertiser**
