Working with a top West End Production team with professional scenery, costumes and a live orchestra. All principal & ensemble parts open! Ages 8-23

The 1950's are out and change is in the air! Hairspray, winner of 8 Tony Awards including Best Musical, is a family-friendly musical piled bouffant high with laughter, romance, and deliriously tuneful songs.

It's 1962 in Baltimore, and the lovable plus-size teen Tracy Turnblad has only one desire -- to dance on the popular Corny Collins Show. When her dream comes true, Tracy is transformed from social outcast to sudden star. She must use her newfound power to dethrone the reigning Teen Queen, win the affections of heartthrob Link Larkin, and integrate a TV network, all without denting her 'do!

REHEARSALS for **HAIRSPRAY** take place at Christ College, Guildford (first week) and at The Rhoda McGaw Theatre (second week) with three performances of **HAIRSPRAY** at the end of the 2 weeks. We have only 50 places available for young people aged 8-23 years to be in our cast of **HAIRSPRAY**. To audition for **HAIRSPRAY** you must be available for all rehearsal dates, between **Mon 14 – Sat 26 August 2017**. (N.B. We will not rehearse on the weekend of 19th and 20th August).

What do you need to be in this production? We are looking for a cast with energy, fun, stage presence, good vocal ability, movement and the dedication to give what it takes to be in musical theatre. You will be given an exciting opportunity to perform in the production under the guidance of West End professionals, as part of the Biz Theatre School's Summer School Production. With a time constraint of only 2 weeks, it will be exciting to see the musical taking shape. The students will be involved in acting, singing and dancing. It will be hard work but with a strong emphasis on enjoyment for all! We will produce an exciting show and we will endeavour to ensure that the 2 weeks are great fun! The course, which takes place Monday to Friday between 9 am and 4 pm, (plus extra rehearsals 2nd week) will help the participants to develop confidence and performance skills and comprises of 10 days of enthusiastic and busy rehearsals and preparation towards the climax of performances on the Friday and the Saturday in the theatre, utilising the skills learned during the course.

Reviews from the last few productions:

Absolutely fantastic show! Well done to everyone!!!! Thanks again - it is the highlight of her year and she gains so much from taking part!

Congratulations on the performance last night. It was fantastic and we were so impressed by what you've achieved in such a short time frame. One lady we spoke to said that she has been to many youth productions but this is by far the best that she's ever seen.

Last night was fantastic, you have a very talented cast but I don't know how you managed to produce such a difficult musical to such a professional standard in such a short time frame. I went with a friend last night who is a professional theatre critic, she was very impressed and we drove home just marvelling at how you managed to do it. It was better than many professional productions I have seen.

From Local Press:

The Director is to be highly commended for leading such a fine and polished production with just a ten day rehearsal period. Being ambitious paid off for The Biz with their 10th Summer School Production. The audience was on its feet at the curtain call and applause was fully deserved for both the cast and the production team. **Surrey Advertiser**

"Talent is the Word for Theatre School-Musical fans were dazzled as young performers from The Biz Theatre School's summer school performed the hit show Grease at The Rhoda McGaw Theatre...The intensive preparations paid off as they delivered a professional production. **Surrey Advertiser**
